Dear Sir

I have transmitted
your letter handed over to me
by Mr. Ashurst to Kopsuth. Whether
he will or not acknowledge
it, is a matter of time; but
I feel sure that once away
from your shores and at
rest on the wide sea, he will
think of its contents, and
profit by them (? !!!)
I avail myself of the opportunity

to thank you for the book
which you were so kind as
to send me - a copy of - We are
moving on the same path,
and endeavouring to re-link
Earth to Heaven. By substituting
a truly devoted, religious
spirit to all worship of idols
and ~~orthodoxy~~ by trying to realize
the sense of the only prayer
which is worth God & Man,
"Let, O Father, thy Kingdome
come, and thy will be done
here down, as in Heaven"

We are brothers & friends
in this faith

Ever faithfully yours

Jos. Mazzini (Turn over)

The Secretary of Rops, the
Radical, Giovanni, an Italian
is an intimate friend of
mine, and I should wish
very much to have him
introduced in America to
such men who can sym-
pathize with, and act in some
way or other for our national

Italian Cante.

May I venture to ask you
if you can lend me your
support in this wish of mine?
Can you give me the address
of Mrs Chapman, whom I
had the pleasure of meeting
here in London some
time ago? ~
